

Boys Fall Skills Camp

Now that summer is coming to an end and fall is right around the corner, we would like to introduce **Balls & Strikes Skills & Drills Fall Tune Up.**

The Camp will focus on different drills to sharpen the skills of hitting, fielding, throwing & base running so that we can have a better ball player. The drills and game like situations will also help players to become more aware of situational baseball so they know what to do with the ball before they get it.

The second half of each camp day and Sundays will consist of a controlled like scrimmage so that the players will have an opportunity to implement some of the Skills & Drills they learned.

Come join us for **PLAY MADE EASY** by the coaches that believe when you **Learn the game**, you will know the game and **Understand the game**, and give you **Confidence to play the game.**
