

High School Summer Baseball Academy

4 weeks
June 11th–July 6th

Summer Baseball Academy

You are invited to experience an in-depth, high impact training program developed to improve your overall skill set. Our professional staff will not only make you a better player, but they will teach the players how to make themselves more marketable to college and university coaches.

Instructors

This camp will be hosted by former professional players, former D1 college baseball coaches and former college players. Our staff has over 50 years of college coaching experience.
